

Geared up for **Automotive Business**

Why are so many automotive companies shifting their operations to Charlotte USA? First, we've got the best business climate in the country, according to *Site Selection* magazine. Second, we have an affordable labor pool with more than 10,000 automotive workers. Third, we provide easy access by air, truck, sea and rail. Fourth, we have a great quality of life, rated #2 in the country by *Money* magazine. Put it all together and you've got life in balance.
