

**We always knew we had
a winning community.
Now it's official.**

The Mooresville/Greater Statesville North Carolina area has earned the #1 spot on *Site Selection Magazine's* list of Top 100 Micropolitan areas.

This recognition continues our winning record as one of *Site Selection's* Top 10 non-metropolitan areas.

Mooresville/Statesville is one of the best-known areas for new corporate investment, and our success plays an essential role in the Charlotte Regional Partnership's development efforts.

For continued growth and exceptional service for your business, give us a call. We take economic development seriously.
